Hello Elm Street Families -

From 30 degrees on Monday to a chilly 8 degrees today, we are on a wonderful, weather roller coaster! We'd like to wish everyone a wonderful thanksgiving weekend and hope that it is filled with family and traditions!

Here are some updates for you:

Food Restrictions Form - This past week, teachers sent home a small form to fill out to indicate whether your child has any food restrictions. On several occasions throughout the school year, the school or Home & School provides treats or snacks to students, and we want to ensure we take into consideration allergies and restrictions. If we don't receive the form back, we will assume your child has no food concerns to be aware of.

Finding Nemo Jr. Update - Wow! We are excited to have so many students interested in participating in the musical! Over 100 students turned in their paperwork. We have completed individual auditions for students that would like a featured or lead role in the musical. Next week, we will have group auditions for students that prefer a smaller role or would rather perform in a group. Those students will audition together in groups of about 15. We will teach them part of a song and a few steps of choreography. Students being considered for lead or featured roles have received an invitation to a second audition after school on Tuesday, October 14th. Some students from that group will be invited to a Callback audition. Further instructions will be provided to those students. If your child was not invited to a 2nd audition or a Callback it does not mean that they have not been cast in the musical. Stay tuned! We can't wait to announce Elm Street's cast of Finding Nemo Jr.!!!!

Breakfast Program - We are starting our Breakfast Program this Wednesday and will continue to serve on Mondays, Wednesdays & Fridays each week. Breakfast is free (provided through provincial and federal funding that our school applies to each year) and is available to ALL students who choose to eat it. Breakfast Program will not be offered on days where there is a delay in opening.

Boys Basketball - Practice after school from 2:45 - 3:45 on Tuesday, October 14th (if a member of the boys team is in the Nemo callback group, please go to the Nemo audition on Tuesday after school this week)

Girls Basketball - Practice after school from 2:45 - 3:45 on Wednesday, October 15th.

Home and School Fundraiser - We are selling POPCORN!! The Home and School are excited to launch our fall school fundraiser and invite you to join them in supporting Inclusive Classrooms where every student feels seen, valued, and empowered. Your support helps us create learning spaces that reflect the diversity and strengths of all our students. Fundraiser forms will be sent home on Monday, October 6!

Milk Order - Please note that milk ordering will begin on October 11, 2025, and close on October 20, 2025 at noon.
